“The lead pencil and black berry character is all here with some grape skin. It’s medium- to full-bodied with firm tannins and a slightly chewy finish. Crushed stone. Typical for the appellation.”

“Looking over my notes on this wine from the inaugural 2012 vintage to this 2020, I can say that this label remains consistent — consistently good that is — with a signature style that Red Mountain brings. Duckhorn wasn’t the first to arrive there, but they have become one of the standard bearers for the AVA. Gravelly mineral notes underlay red and black berry fruit, with easy vanilla and oak spice and a long finish that’s already well integrated. Always a solid value, and so it is again.”

Outstanding; a wine of superior character and style.

“Solidly built and refined, with appealing blackberry, savory sage and spice flavors that gather tension and structure on the finish.”

“The 2020 Cabernet Sauvignon Red Mountain opens with a pretty blend of crushed raspberries offset by sweet sage and hints of rose. Cooling minerality and ripe red and blue fruits swirl throughout this round mountain Cabernet. Finishing lightly structured with a licorice tinge, the 2020 tapers off with youthful tension, but it is still so easy to like.”
